Don't be Late. Your spot may be given away if you are late. Check in with the league representative as soon as you arrive. If there is * next to your name, you were pre-drawn into this tournament and have a spot. If you finished in the top 8 but are not listed above, you may show up and take a chance of getting drawn into the tournament. For alternates we will only draw enough players to give us a total of 16 players. If 16 players are present from the list above, no alternates will be drawn in. Being drawn into the tournament is a random process. We will take up to 8 alternates for a 2nd chance tournament. If you have any questions please call the league office at 661-204-9230
